

AUTHORISATION LETTER

To Whom It May Concern,

Perbadanan Kemajuan Negeri Selangor (PKNS) hereby confirms that Engage Digital has been appointed as the authorized digital marketing agency for the Linkar52 development project.

PKNS grants Engage Digital the right and authorization to use, reproduce, publish, promote, and advertise all approved marketing materials, creative assets, trademarks, logos, project information, images, videos, and related copyrighted content associated with the Linkar52 project for the purpose of managing and executing digital marketing campaigns on behalf of PKNS.

PKNS further confirms that:

1. The Linkar52 project is owned and developed by PKNS.
2. The website pknslinkar52.com.my is an official project website authorized by PKNS.
3. Engage Digital is authorized to manage, promote, and advertise the Linkar52 project through Google Ads and other digital advertising platforms.
4. Engage Digital has obtained the necessary rights and permissions from PKNS to use the copyrighted content appearing on the website and associated marketing materials for advertising and promotional purposes.

This authorization remains valid for the duration of Engage Digital's appointment as the authorized digital agency for the Linkar52 project unless otherwise revoked in writing by PKNS.

Should you require any further information, please contact PKNS directly.

Sincerely,

Nur Faridatul Zaihan Mohamed Jamil
